

International Debt Collections

Prevent and protect against unpaid invoices

There are always some buyers that will take a little longer to pay, but there are others that will repeatedly push your payment terms and goodwill to breaking point and no matter how hard they're pursued it seems as if you'll never get paid.

If this sounds familiar, then Atradius Collections has the answer.

No matter where you're based or wherever you trade, Atradius Collections can help you secure payments and improve cash flow by collecting outstanding debts using our experience, expertise and a clearly focused results driven approach.

Our reputation and position as one of the world's largest credit insurers and debt collection specialists gives us extra leverage. Debtors know us. They know that failing to pay will damage their creditworthiness and purchasing power.

Transform debt collection from a frustration into an effective solution within your company.

*Let us collect for you - better, smarter and faster.
Be assured of payment.*

Transform debt
collection from a
frustration into an
effective solution
within your
company.

Who we are

Through a presence in 25 countries, Atradius Collections provides trade invoice collection services in 96% of the countries across the world. Its wide breadth of services, ranging from first party to legal collections, helps companies around the globe recover unpaid invoices. Atradius Collections forms part of Grupo Catalana Occidente (GCO.MC), one of the leading insurers in Spain and worldwide in credit insurance.

What we offer

We specialise in business-to-business debt collections services

Local expertise and global reach

Special and detailed local expertise, covering a diverse range of individual business cultures, laws and regulations, can achieve exceptional results when they're linked together in our integrated network to deliver a flexible international solution.

Greater control

By allowing us to take control and responsibility of your outstanding debts, you gain greater control over your receivables and remove worries, which enable your team to focus on other key financial and business needs.

Extension of your business

Our business is driven by your business needs. Every aspect of our extensive resources exists purely to support our customers, while ensuring we deliver results consistently and to the highest standards.

Trust and confidence

By choosing Atradius Collections as your international or domestic collections solution, you can have trust and confidence that your business will be supported by an unrivalled network of specialists, which operate 'in concert' with a single aim – to deliver results for your business.

Continuity of business relations

Our professional collection team understands the valuable relationship between you and your client therefore ensuring continuity of your business relations.
